IMAGINE DRAGONS

INTRO

G D Em B7

VERSE I

Em D
As a child, you would wait
Cadd9 B7
And watch from far away
Em D
But you always knew that you'd be the one
Cadd9 B7
That work while they all play

Em D
In youth, you'd lay
Cadd9 B7
Awake at night and scheme
Em D
Of all the things that you would change
Cadd9 B7
But it was just a dream

CHORUS I

Em G Cadd9 B7
Here we are, don't turn away now
Em G Cadd9 B7
We are the warriors that built this town (X2)

From dust

VERSE II

The time will come
Cadd9 B7
When you will have to rise

Em D
Above the rest, and prove yourself
Cadd9 B7
Your spirit never dies!

Em D
Farewell, I've gone
Cadd9 B7
To take my throne above
Em D
But don't weep for me, 'cause this will be
Cadd9 B7
The labor of my love

CHORUS II

Em G Cadd9 B7
Here we are, don't turn away now
Em G Cadd9 B7
We are the warriors that built this town (X2)

Em
From dust
